Welcome

The Ultimate Rally Group Limited is the promoter behind the 2018 Silver Fern Rally, we wish to extend a warm welcome to those competing in the forthcoming Silver Fern Rally scheduled for the 23rd November to 1st December 2018.

This rally has grown in stature from humble beginnings in 2006 when a very small group of enthusiasts gathered to re-create an event to replicate events of the 1970's, when rallying was in it's infancy, to a well-managed and world renowned icon of marathon rallying that gathers participants from all corners of the globe.

The first event was a great success exceeding all expectations and since those days it has continued on a bi-annual basis. Over the following years the Silver Fern Rally has grown in reputation and is now regarded as one of the most prestigious long distance marathon rallies in the world. In keeping with the formative years, we continues to provide more than 1,000km of closed road special stage distance, as we traverses one of New Zealand's two major islands during the week-long event.

As an event, we are honoured by the calibre of competitors and vehicles that enter, many of whom return time after time for the enjoyment and challenges that we provide and together we enjoy the world-wide friendships forged during the battles of competition.

For the 2018 event, we will be returning to the North Island and providing another fresh, new, and exciting route encompassing new special stages and a few old ones from years gone by, along with a number of new combinations of roads as we wind our way across the Central Regions of the North Island.

Whether you are a competitor, service crew, official, supporter or a follower of the sport we invite you to join with us for the adventure that will be the 2018 Silver Fern Rally.

Regular information will be available on the Silver Fern website www.silverfernally.co.nz as it comes to hand. So go online and sign up to receive the newsletters to be up to date with all the latest information.

On behalf of the Silver Fern Rally Team, I extend a warm welcome and look forward to seeing you in November 2018.
